Trees

13.06.2015 - 15.11.2015

Trees is the tenth exhibition held in the ex-kindergarten of Bruzella, home of the Rolla Foundation. The photographs are from the private collection of Rosella and Philip Rolla.

The 36 works on display encompass Philip Rolla's special focus and insights.

"I grew up on a farm. The land was dedicated to prunes, and so our livelihood depended on trees. My grandfather and father were religious in their respect for them, the thought being that their fruit would provide us with eternal life. Our house was in the middle of the orchard, so our only close neighbors were our trees. If we took care of them they would take care of us. This show is dedicated to them".

List of authors: Robert Adams, Eugène Atget, Max Bauer, Josef Breitenbach, Simone Casetta, Vincenzo Castella, Mario Giacomelli, Fritz Henle, John Hilliard, Clemens Kalischer, Gerhard Kurtz, Anna Leader, Giovanni Luisoni, Anna Meschiari, Richard Misrach, Albert Renger-Patzsch, Douglas & Michael Starn, Josef Sudek, George Tice, Ernő Vajda, James Welling.

Text of the catalog by the poet and writer Alberto Nessi.

On the occasion of the tenth project and the fifth year of activity the Rolla Foundation realized a limited edition box set with the complete collection of publications and reprinted the first catalog *Josef Sudek. Cacciatore di magia.*
